

VERSE 1:

WITH EVERY BREATH I'M FLOATING FARTHER AWAY FROM THE SHORE
WITH EVERY CRY I'M SINKING DEEPER BUT I AM IGNORED
AND IF I TRY TO CRY OUT IT'S JUST MUFFLED WITH THE WAVES
MY DESTINATION IS OUT OF VIEW NOW IT'S JUST TOO FAR AWAY
AND THOUGH THE SHIPS SAIL BESIDE ME THEY KEEP STILL ON THE COURSE
MY EYES ARE STINGING WITH SALT AND I'M PREPARED FOR THE WORST
BUT SUDDENLY I SEE A FLICKER OF LIGHT ON THE TIDE
AND I KNOW I'VE FOUND A LIGHTHOUSE AND I'LL BE ALRIGHT

CHORUS

I'LL HOLD ON
FOR AT LEAST ANOTHER NIGHT
I'LL TRY TO CARY ON CAUSE I HAVE YOU IN MY SIGHT
AND I'LL PUSH MYSELF TO FIGHT THIS FIGHT
CAUSE I'VE FOUND A TRACE OF LIGHT

VERSE 2

I WAKE TO SOUNDS OF THE OCEAN COLLIDING WITH THE SAND
I HAVE MADE IT TILL THE MORNING, ALIVE AND ON LAND
I HAD FORGOTTEN HOW IT FELT TO FEEL SO SAFE AND AT EASE
MY LUNGS CAN STEADY AND RELAX AND I CAN FINALLY BREATHE

REPEAT CHORUS

BRIDGE:

WHEN WAVES WERE RAPID AND ALIVE, I DIDN'T THINK I COULD SURVIVE
MY HEART WAS ACHING FOR A RESCUE BUT NO ONE ARRIVED
AND WHEN MY WORLD WAS CAVING IN,
I THOUGHT MY FEARS WOULD FINALLY WIN
BUT YOU CAME AND OPENED UP MY LIFE AND NOW I'M ABLE TO LIVE
WHERE ALL THE OTHERS WALKED AWAY
YOU TOOK THE TIME OUT AND YOU STAYED
AND NOW YOU HAVE CALMED THE STORM, I DO NOT HAVE TO FEAR THE WAVES

REPEAT CHORUS
